

Bienale di Firenze

2003

Firence

At the biennale di Firence a lot of artists come together to show their works.

And that is also the biggest fun: to meet artists from all over the world. To go there everyday and meet other people and talk.

One of the last days Doc Antoine told us it was a nice weather to make a shot of the entrance. So we did.

Our hotel room had a view as big as a ballroom.

This is Micheal Moore, alias Spiderman, the New Orleans artist at our left hand side.

Standing like a rising tower,
An eternal dream.*

Spiderman's and Arthurx's Corner: a nice place for: coffee! coffee! coffee!
